### Safety first:

Safety and protection on the water are important to us. Therefore, all the above services include free rescue and helmet and life vests. Ask our team about helmets and vests!

### Important !!!

- No hourly rental of kites possible! Min. 2 hours at a time
- The kiteservice package is always obligatory per person / kiter.
- The kiteservice package is only bookable for a minimum stay of 4 days at a time
- All damages which occur despite the utmost care of the kite material outside the course hours must be paid in cash directly on site (repair and possible depreciation). We recommend to complete the **VDWS Safety tool** or to book our repair pot on site. Information and booking directly with the team.
- The booking of the repair pot or the safety tool is **ONLY** possible before the first water contact
- Our friends with their own material are responsible for their own material during assembly and disassembly, cleaning, collapsing or transporting or even during the launch or relaunch. Our beach team is happy to help, but is not responsible for any damage
